COVID-19

Stay COVID safe

If you're sick, get tested. Call your doctor or clinic.

If you are feeling sick and have any COVID symptoms you should get tested. Call the clinic or your doctor.

Let them know, so they can help.

Only go out to get your test and then go home again, or follow the advice of your doctor or clinic. Staying home helps to stop COVID-19 from spreading.

If you are very sick and need urgent care call 000.

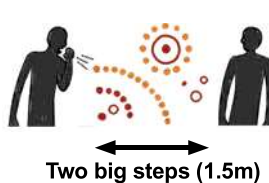

Get vaccinated

Call the clinic if you're sick
