English transcript

Corona needle information

The Corona Needle will stop you from getting really sick.

After your needle you might

Feel sick

Have a sore arm

Have a headache

Have a fever

To keep everyone safe always do these things

Keep washing your hands

Keep two big steps apart.

Acknowledgement of Country

The Government of Western Australia acknowledges the traditional custodians throughout Western Australia and their continuing connection to the land, waters and community. We pay our respects to all members of the Aboriginal communities and their cultures; and to Elders both past and present.
